Commissioner for Patents

The reply filed on April 29, 2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant's Response to Election of Species Requirement is incomplete because Applicant has not provided a listing of all claims readable on Applicant's elected Species. Upon careful review, claim 1 is not generic because it contains multiple species in "or" format including non-elected species. The Examiner recommends amendment of the claims to eliminate recitations drawn to non-elected species. Applicant is respectfully reminded that Applicant must include an identification of the species that is elected consonant with the election requirement and a listing of all claims readable thereon, including any claims subsequently added (Office Action of March 29, 2004). See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
